### **JUROR QUESTIONNAIRE**

Thank you for coming to court as a potential juror. The questions on this form are designed to help the court and the lawyers learn something about your background and your views on issues that may be related to this case. The questions are not asked to invade your privacy, but to make sure that you can be a fair and impartial juror. This questionnaire will remain confidential.

You should answer the questions carefully and completely. Please do not leave any questions blank. If a question does not apply to you, simply write N/A (for Not Applicable) in the space for the answer. If there is no response to a question, we will assume that you mistakenly skipped it and may ask you about it in court.

Please **DO NOT** write on the back of any page. If you need more room, continue at the bottom or side of the page or on a blank page.

You may be asked follow-up questions later to clarify your answers. If there are questions that you would feel more comfortable answering in private, simply write "private" in the space provided for your answer and circle the question number. The follow-up questions on that topic will be held out of the presence of the other jurors.

If you have trouble reading, understanding, or filling out this form, please let the court clerk know.
